

THE PATH OF TRUTH

Music & Lyrics by Victor N. Hafichuk

VERSE 1

C Dm G C

Well, here we go down the path of truth again,

Am Dm G C

Looking danger in the eye, fearing nothing but the Lord.

Dm G C

This path is hard and there are few that care to come,

Am Dm G C

But as we go along we find that chains will all be left behind.

VERSE 2

C Dm G C

The tears we shed both for ourselves and our friends

Am Dm G C

Aren't worth comparing to the glory that'll be ours when we're done.

Dm G C

It's like a dream; it's like a story of outer space;

Am Dm G C

It's like a fairy tale for children; But as we go we find it's true.

VERSE 3

C Dm G C

I wouldn't stop and turn around for all the world;

Am Dm G C

It's life or death for me and those who've realized the facts of life.

Dm G C

Let come what may even death if that must be,

Am Dm G C

But I'm convinced that I obey the One Who'll finally set me free.

VERSE 4

C Dm G C

The light grows bright as I come closer to the end

Am Dm G C

And worldly pleasures and possessions fade away as so much smoke.

Dm G C Am Dm

I find a joy within me bubbling to the surface as in peace I run the race

G C Dm G C Am F G C F C

That will soon give me the prize. Aaa ---- aah.
