

THERE'S LOTS TO BE THANKFUL FOR

Music & Lyrics by Victor N. Hafichuk

VERSE 1

G C
Don't ever let your bottom lip hang down;
G C
Don't let it happen when I'm around.
D
I'd rather see a smile on your face;
C D
A frown on you is so out of place..

CHORUS

G C
You know there's lots to be thankful for.
G C
You needn't crawl; let your spirit soar.
G Em
Before you know it I'll be back for more
D G
Of your smile...of your smile.
