

FROM THE MOUNTAINTOP

Music & Lyrics by Victor N. Hafichuk

G **C F C**
The time has finally come when I can sing to you with joy in all my soul.

Am **D G C G**
Faithfully, my God has surely given me what He promised in His Roll.

G **C F C**
When I first began the journey, I naively thought that I might have ar-rived.

Am **D G C G**
As I went on, disillusionment brought me to think that I was so de-priv-ed.

CHORUS

C **G**
I sing and shout from a mountaintop, a mountaintop so high,

D **G**
So high it makes me cry...

C **G Em C D C D C**
Joy only comes.... with vic-tor-y, and victory comes only when you die - ie - ie....

G **C F C**
Three times I fell so hard and wondered if I'd ever leave the bloody ground.

Am **D G C G**
And every time, I learned that right is might, and not the other way a-round.

G **C F C**
Yes, the journey was a long one and the battle was a hard one to the last.

Am D G C G
Now I rest in perfect confidence that threats and dangers are all in the past.

CHORUS

C G
I sing and shout from a mountaintop, a mountaintop so high,

D G
So high it makes me cry...

C G Em C D C D C
Joy only comes.... with vic-tor-y, and victory comes only when you die - ie - ie....

What a wonderful reality when a workingman is finally done his day.

Am D G G
I didn't earn it; don't deserve it; He just freely, freely gave - what can I say?

Am D G C G
I didn't earn it; don't deserve it; He just freely, freely gave - what can I say?
