

DO OR DIE

Music & Lyrics by Victor N. Hafichuk

Am **G**
1) There goes a time when it's do or die,

Am **G**
To stand in truth or to tell the lie;

Am **G**
To set aside your ice cream and pie.

F **G** **Am**
The time has now come to do or die... (REPEAT)

Am **G**
2) They won't know whether to laugh or cry;

Am **G**
Insisting the truth will never fly;

Am **G**
They'll roll their eyes and heave a sigh,

F **G** **Am**
Not knowing whether to laugh or cry... (REPEAT)

(CHORUS - Verse 1)

C **G**
There comes a time when it's do or die,

Am **Em**
To stand in truth or to tell the lie;

C **G**
Time to set by your ice cream and pie.

F **G** **Am**
The time has now come to do or die... (REPEAT)

Am **G**
3) From telling the truth we must never shy,

Am **G**
Though knees may knock and mouth goes dry,

Am **G**
"You need to cave!" by-standers will cry.

F **G** **Am**
Which now will you do - tell the truth or lie... (REPEAT)

(CHORUS)

Am **G**
4) Only by blood will the truth be shared,

Am **G**
Truth comes to the gallows, so others are spared,

Am **G**
We live because An-other has cared,

F **G** **Am**
For speaking the truth, we must be prepared... (REPEAT)

(CHORUS)

Am **G**
5) Someday all truth will come to light

Am **G**
Nothing hid from any man's sight,

Am **G**
Will we have done the wrong or the right?

F **G** **Am**
Will our days a-head be dark or bright... (REPEAT)

(CHORUS)
