

TO DO OR NOT TO DO

Music & Lyrics by Victor N. Hafichuk

VERSE: 1

Em C G
To do or not to do?

 D Em
That is the question

 C G
That's often on my mind

 D Em
And sometimes gives me torment.

VERSE: 2

 C G
Clouds and smoke may look the same,

 D Em
But they're so very different.

 C
I must not speak in vain,

 G D Em (C G D Em 2x)
But say what I'm supposed to say.

VERSE: 3

C G **D Em**
The Lord is Lord of all; with that no one can argue.

C G **D Em**
Unless we look to Him, we become self-centered.

C G **D Em**
Then, pointing to ourselves, We seem to be His servants

C G D Em C G D Em
But He alone can tell.

VERSE: 4

C G
What was once the thing to do,

D Em
He'll no longer wink at.

C
What was once so wrong,

G D Em
Now we grow right into.

VERSE: 5

C
Things are always changing

G D Em
And with no change we die,

C
But if we change we hurt,

G **D** **Em**
And pain is the fruit of growing,

C
Until we come to the fullness

G **D** **Em C G D Em**
In Christ Jesus our Lord.

In Christ Jesus our Lord.

In Christ Jesus our Lord.
